WILSON TO DICTATE ACTION IN MEXICAN CASE

Decision in Coal Strike Expected Tomorrow

WILSON'S TERMS TO BE PRESENTED TO MINERS' UNION

UTMOST SECRECY SUR- ROUNDS PRESIDENT'S TERMS FOR SETTLE- MENT.

LEWIS COOPERATES

Labor Leader Tells of Resent- ment Caused by Injunction Proceedings.

(By Associated Press.)
Washington, Dec. 8.—Hope for the settlement tomorrow afternoon of the controversy between the miners, the operators and the government, expressed in the Whitehouse, issued today at the Whitehouse.

The statement follows:
"It is hoped that there will be a settlement on Tuesday afternoon of the controversy between the miners, the operators and the government, through the acceptance by the miners of the government's terms."

The statement also says that the settlement proposed by the president, which proposal was submitted to Acting President Lewis of the miners by Attorney General Palmer, Saturday night.

Secretary Surrounds Proposal
The utmost secrecy still surrounded the president's proposal, and Secretary Palmer and other officials refused to supplement the Whitehouse statement. It was learned, however, that the proposal made to the miners was in the form of a memorandum written by him.

In agreeing Saturday to urge upon the miners' representatives acceptance of the president's proposals, John L. Lewis, acting president of the United Mine Workers of America, said that he was having in view the feeling of the miners against the government's attitude of the government.

Mr. Palmer, Assistant Attorney General Ames, who instituted proceedings against the union officials at Indianapolis, and Lewis and William C. Clegg, secretary of the union, are to arrive at Indianapolis today where tomorrow the union officers will lay their president's proposal before the executive and senate committees of the workers.

The senate labor committee deferred action on the resolution calling for congressional action on the coal strike as it did not desire to interfere in negotiations between the government and miners which promised to end the strike, Chairman Kenyon said.

The executive committee of the operators, in a formal statement, said:

"The strike situation appears to be distinctly more favorable from the viewpoint of adjustment."

"The executive committee states that the matter of adjustment with the mine workers is in the hands of the government," the statement said.

"The efforts of the government to reach an agreement that will be fair and equitable."

"There were persistent reports today that the president's proposal was that the miners accept for the present the 14 percent wage advance."

"The reduction of the coal shortage to such an extent that 35 additional passenger trains were taken off, including the crack transcontinental limited of the Canadian Pacific."

"The reduction of the coal shortage to such an extent that 35 additional passenger trains were taken off, including the crack transcontinental limited of the Canadian Pacific."

"The reduction of the coal shortage to such an extent that 35 additional passenger trains were taken off, including the crack transcontinental limited of the Canadian Pacific."

Open Highways Meet Approval

The demand that the county highways be kept open for traffic this winter has met with instant approval in all sections, according to early reports. Many have assured the Gazette that support of such a move will be forthcoming. Those who have indicated their desires to have open roads have expressed the opinion that immediate action should be taken to obtain necessary machinery and men to carry on the work.

Under the state law, the county board has the right to provide for funds to carry on the work of clearing snow from highways, the cost to be paid by the county out of such funds as the county board may provide by county tax or otherwise.

The state highway commission has informed the Gazette that machinery for clearing roads is available. Complete information concerning these machines has been promised the Gazette by the state commissioner. It will no doubt arrive at this office Tuesday morning.

County Highway Commissioner Moore can obtain this information if he already has not done so. This newspaper will give any aid necessary to support a move to have the county board meet in special session to arrange for the funds.

Inasmuch as the law is plain regarding keeping highways open and because county officials have done nothing to carry out the provisions of the law, it seems necessary to take immediate steps to get the proper machinery into action. Even under normal conditions a delay will be experienced and thousands of dollars will be lost to citizens if the roads are not opened.

The Gazette this morning telegraphed Senator Lenroot and Congressman Randall at Washington, asking if they could aid the county in obtaining one or more light army tanks to be used in road work, if they are practical and are desired. Counties in Northern Michigan have already taken steps to obtain these tanks. Rock county could take the lead in this state by making efforts to obtain them.

For the information of those who are interested in the matter of keeping winter traffic open at this time when we are beset by transportation problems which threaten our business life, we are submitting herewith the provisions of that section of the state law which concerns open highways:

CHAPTER 313, LAWS OF 1919.

(Section 1317) (6) (a) Whenever a street, highway or alley is maintained by any town, village or city, the town, village or city shall make every reasonable effort to keep said streets, highways and alleys open for all travel during the winter months, and shall use such means of accomplishing the necessary results as the statutes provide.

(b) Whenever any highway or street shall be maintained by the county, at either county or state expense, or both, such maintenance shall in no way impose upon the county the duty of keeping such highway or street free from snow and open for travel during the winter season. The removal of snows on said streets and highways shall be the duty of the town, village or city in which they lie, and the provisions of paragraph (a) of this subsection shall apply.

Any county board may, at any meeting, provide that the county will remove the snow during the winter season from any highway or street maintained by the county, in which case the county shall be responsible for the proper removal of snow to allow customary modes of travel, and the cost of such removal shall be paid by the county out of such funds as the county board may provide by county tax or otherwise.

At the discretion of the county board, the board may, by resolution, charge not to exceed 50 percent of the cost of the removal of snow from any highway or street subject to county snow removal, to the unit of government in which said removal is performed. In no case shall the cost of snow removal under the provisions of this paragraph be charged to any maintenance funds received from the state.

In case a county board, after adopting a road for snow removal, shall desire to relinquish the snow removal during the succeeding winter, it may do so by resolution, and snow removal on the said road or street shall revert to the control of the unit of government in which the same may lie, and the provisions of paragraph (a) of this subsection shall apply.

(c) If any town, village, city or county shall fail to keep open to travel during the winter season any portion of the state trunk highway system which the state highway commission shall determine the public interest demands should be kept open for travel during the winter season, the state highway commission may direct the county, state and bridge committee to keep such road or street open to travel during the winter season, and the cost of any such work shall be paid by the county out of any county funds which may be unappropriated, and the county board at its next meeting shall provide for the payment of same by county tax or otherwise, and may charge not to exceed 50 percent of the cost of such removal to the unit of government in which said removal took place. In no case shall the state highway commission order any section of the state trunk highway system kept open for travel in the manner specified in this paragraph unless the state highway commission shall have received a petition signed by at least fifty (50) persons certifying that they would often travel with vehicles the portion of the highway in question in the pursuit of their ordinary avocations if it were open during the winter months.

(d) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(e) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(f) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(g) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(h) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(i) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

(j) Nothing in this subsection shall be interpreted to impose upon any town, village or city or county, the duty of making passable for travel any portion of a highway, street, or alley during or after snow storms when the necessary work would impose an unreasonable public expense. The term "unreasonable public expense" shall be interpreted to mean an expense which in the opinion of the court is unreasonable in view of the public benefit which would accrue from making passable for travel the said portion.

FIUME POET YEARNS TO REACH AMERICA ON WINGS VIA WEST

(By Associated Press.)
Rome, Sunday, Dec. 7.—Capt. Gabriele D'Annunzio plans to fly to the United States after the Fiume situation has been adjusted, he told the Associated Press today.

"I yearn to reach America on wings," he said. "I will fly to America across the Pacific and land on your air Pacific coast. When my task in Fiume is done and when Italy is a part of Italy's realm, I am going to make through the Pacific Ocean a long and arduous journey across that vast expanse of the Pacific."

ALLIES CONSENT TO MODIFY PROTOCOL OF GERMAN TREATY

(By Associated Press.)
Washington, Dec. 8.—President Wilson would be authorized under a resolution introduced today by Senator King, to employ the armed forces of the United States in conjunction with allied forces in enforcing the terms of peace on Germany.

Before the foreign relations committee, Senator Thomas wanted to know by what rules of consistency this government would enforce a treaty which the senate had rejected. There was no answer.

Paris, Dec. 8.—The allies have consented to modify some of the terms of the protocol putting the peace treaty into effect, which Germany had objected to. The clause providing for indemnity for the destruction of the German fleet at Scapa Flow has been modified so as to refer to the league tribunal, the question whether the delivery of the tonnage demanded will cripple Germany, it is understood.

The understanding also that other features of the protocol most objectionable to the Germans have been eliminated. It is expected that the treaty's terms, which will sign the protocol without much further delay.

The final paragraph of the protocol providing for the evacuation of the peace treaty has gone into effect. The allies might use military measures of coercion to insure the execution of the treaty's terms, which have been eliminated entirely, as also the clause relating to the evacuation of the Baltic provinces by German troops.

The imputation of responsibility to Germany for the sinking of the Scapa Flow fleet is left in the protocol. It was expected that a note setting forth the allied position would be handed today to Baron von Lersner, head of the German mission.

Noske Is Defiant
London, Dec. 8.—Gustav Noske, German minister of defense, declares he will recommend that the German government will refuse to sign the protocol of the peace treaty, no matter what the consequences may be, according to the Berlin correspondent of the Daily Mail. It is said his statement agreed with that of other members of the German cabinet.

He charged that Great Britain and France were "deliberately planning the destruction of Germany," and that those governments, "by deceit and trickery," were moulding public opinion in these countries preparatory to crippling Germany with the crushing effect of the first treaty.

Demands for dock and harbor matters in reparation for the sinking of the interned German fleet at Scapa Flow, and the provision of the protocol empowering the allies to enforce the terms of the treaty, as described by him, "was a straw which have broken the back of German endurance."

The fact that failure by the United States ratify the treaty may mean larger representations from the other allies on commissions established by the pact, he said, was a reason for many to refuse to sign the protocol.

Private Owners of Electric Railways Recommended
(By Associated Press.)
Washington, Dec. 8.—Continuation of private ownership of electric railways and protection of private capital invested in local transportation was recommended in a brief filed today with the federal electric railway commission by Bentley W. Warren, counsel for the committee of one hundred of the American Electric Railway association.

Rumors that Investigation Of War Guilt Ceased, Denied
(By Associated Press.)
Berlin, Sunday, Dec. 7.—Rumors current since the committee investigating the war guilt of German leaders in 1914 has discontinued their meetings are wrong, according to a news agency.

"On the contrary," the statement says, "it is intended to conduct the investigations with every energy to a conclusion, but new material adopted which will make it impossible for witnesses to mislead the accommodating spirit shown them for party political purposes."

Section Hands Find Body of Farmer Struck by Train
(By Associated Press.)
Wausau, Dec. 8.—Charles P. Hughes, a prosperous farmer of the town of Eau Claire, was killed Sunday, when struck by a Northwest train. His body was found along the track by section hands.

CITY RUNS ON COAL SAVING SCHEDULE; NO COMMOATION

NINE HOUR WORK DAY BE- COMES OPERATIVE IN BUSINESS PLACES.

9 TO 6, POPULAR

Amusement and Recreational Establishments Open Later.

Coal saving began in earnest in Janesville today when 75 percent of the retail business houses went on a 9-hour day schedule in accordance with the coal board's orders which became effective at 12:01 a. m.

In direct contrast to the confusion and commotion which followed the federal order for "heatless days" a year ago, the local rulings became operative with no more fuss and little or no difficulty being experienced by anyone save Fuel Administrator W. E. Sullivan, who had his hands full keeping fuel dealers supplied with blanks.

Business did not commence in dry goods, clothing, furniture, jewelry and stationery stores until 9 o'clock this morning to close promptly at 6 o'clock this evening. Pool and billiard halls, cigar stores, pool rooms and theaters opened at 2 o'clock this afternoon to remain open until 11 o'clock tonight. Drug stores, groceries, butcher shops, hotels, bakeries, and restaurants operated as usual.

Barbers Close Own Hours.
A ruling permitting barber shop proprietors to choose their own nine-hour day schedules was approved today by the fuel administrator. The majority of the shops will be open from 11 in the morning until 8 at night on Mondays, Wednesdays, and Fridays, and from 9 in the morning until 6 at night on Tuesdays and Thursdays.

Appeal to Drug Store.
An appeal to drug store, hotel, and restaurant proprietors and others in the exempted class to sell tobacco and candles only 9 hours during the day, was made by Mr. Sullivan today. The day was made by Mr. Sullivan today. The day was made by Mr. Sullivan today.

Should Order From Dealers.
One or two anthracite were received by dealers today. All buyers of coal are directed to apply to their dealers for the anthracite. The dealers are to place the anthracite in sacks and not to go to the fuel administrator as was the case with many this morning. They are also directed to place the anthracite in sacks and not to go to the fuel administrator as was the case with many this morning.

Mr. Sullivan opened headquarters in the mayor's office at the city hall today. He was there to be engaged as clerk during the emergency. As an employee in the office of Plowright & Menzies during the coal shortage, he has gained knowledge of the fuel business which fits him for assistant to Mr. Sullivan.

COUNTY OFFICIALS FOR OPEN HIGHWAYS

Consensus of opinion on the matter of keeping the main highways of the county open during the winter and free from snow, as heard yesterday and today, was to the effect that present traffic conditions would be maintained. "Of course, let us keep them open," was the general statement.

Among county officials, though some did not make any strong statements on the question, general agreement that something should be done was reached. "The roads should be kept open," was the general statement.

When seen about the question County Agent R. T. Glasco said that he naturally agreed that the roads should be kept open, but that he is not thinking much of the matter. "I went out over the roads last week," he said, "and found them very bad. There is so much motor traffic now—so much that I was surprised—that the snow is kept packed, and traffic was not impeded at all."

Register of Deeds Frank P. Smiley said: "While I don't believe it can always be done, especially when the snow drifts very deep, the present conditions of greater motor travel and the coal strike demand it. I think it should be done."

County Treasurer Arthur Church was present when Messrs. Lee and Glasco were approached on the matter, and he emphatically remarked that the roads should be kept open.

D'Annunzio Denies Plan Of Expedition on Spalato
Fiume, Sunday, Dec. 7.—Gabriele D'Annunzio assured the correspondent today that he was not preparing an expedition against Spalato or Laibach. He gave his word of honor that this statement was true.

JURY TO TRY CASE AGAINST MINERS IS NOT IMPANED

(By Associated Press.)
Indianapolis, Ind., Dec. 8.—The federal grand jury, summoned by United States District Judge A. B. Anderson, to investigate alleged violations of the new anti-strike laws, was impaneled today.

The jury, composed of operators, miners and coal dealers in conjunction with the bituminous coal strike, will not be impaneled today. United States District Attorney L. E. Black said. He said this step had been postponed until 10 o'clock tomorrow.

BIG FIVE PEACE COUNCIL BECOMES BIG FOUR; U. S. QUILTS

(By Associated Press.)
Paris, Dec. 8.—The supreme council, this morning took up the question of the Huns' peace treaty in an effort to dispose of the more urgent questions. Its purpose also was to decide upon the reference of the other questions to the proper quarters for decision after the "big five" becomes the "big four" as it is expected the situation will be with the four principal allied powers represented, will continue to meet after the American delegates leave tomorrow.

As far as the Americans are concerned the supreme council will cease to exist after the signing of the Huns' peace treaty. It is as yet not determined who will sign that document, but it is expected that the United States will be represented by the ambassador, Walter Wallace. Most of the unfinished business will thereafter be referred to the various governments and settled through the regular diplomatic channels.

Among the matters to be thus referred will be the administration of the inter-allied war council, the ultimate fate of that province may be decided by the supreme council of four. The reparations commission, including the distribution of the German merchant shipping. The revision of the treaty between Belgium and Holland and Austria and the Baltic countries, probably will be put in the class of those to be referred direct to the governments.

The question of the continuation of the inter-allied war council is undecided. The Americans are understood to be unfavorable to its continuation and the French and the British are said to be not yet in complete accord as to the details under which the organization may be continued.

OSHKOSH I. W. W. MEETING DENATURED

(By Associated Press.)
Oshkosh, Dec. 8.—An announcement that Mayor Mel Fournier, Milwaukee, was to talk socialism and a Russian priest was to speak under I. W. W. auspices, here Sunday night of realization. In place of the pair, David E. Pretsch, Chicago, gave a "denatured" I. W. W. address at Badger Club hall before a good sized audience. He kept the word, world, union of working people, claiming, such an organization would control the United States and in fact the world.

Mayor McHenry had warned in advance that any talk not in the English language would not be tolerated. He said that the meeting was to be a "denatured" I. W. W. meeting, and that the speakers were to be "denatured" I. W. W. speakers.

Mayor McHenry had warned in advance that any talk not in the English language would not be tolerated. He said that the meeting was to be a "denatured" I. W. W. meeting, and that the speakers were to be "denatured" I. W. W. speakers.

VOTES CAST TO ELECT BERGER'S SUCCESSOR

(By Associated Press.)
Milwaukee, Dec. 8.—Candidates for congress in the fifth Wisconsin district are today being voted on at a special primary election. The nomination will be before the people in the crucial contest on December 19 when will be chosen a congressman to fill the vacancy caused by the present congress's refusal to seat Victor L. Berger, socialist who was elected at the November election in 1918.

Berger again is a candidate of his party, while Henry H. Bodenstab, republican, has been agreed upon as a fusion candidate of the two old parties.

While there are approximately 50,000 registered voters in the district, Berger requires only 1,666 and Bodenstab 1,442 votes to get the regular ticket. These figures represent 10 percent of the respective party vote for governor in the district at the election.

Today's vote, as expected, would be light compared with that of the real contest later in the month.

Oshkosh City Council Asks Itemized School Budget

Oshkosh, Dec. 6.—At a meeting of the board of education the commission council presented a communication asking the board to itemize the school budget. The board is big, vague and uncertain as to details and asking for an itemized budget. The board will prepare such a statement. The city law department declared the proposed immediate relief for teachers through increased pay on contracts terminating next June would be illegal and the board will further consider this matter. The budget made substantial increases for the coming school year but the teachers want more pay now.

PRESIDENT WOULD BE GRAVELY CONCERNED TO SEE RESOLUTION BY SENATOR FALL PASS CONGRESS

Chief Executive Sends Note to Committee Deal- ing with Request to Sever Diplomatic Relations with Carranza.

(By Associated Press.)
Washington, Dec. 8.—President Wilson would be "gravely concerned to see any such resolution pass the congress," he wrote Senator Fall today in referring to the Fall resolution requesting the president to sever diplomatic relations with the Carranza government.

"It would constitute a reversal of our constitutional practice which might lead to very grave confusion in regard to the guidance of our foreign affairs," he wrote.

The president expressed confidence that he had the support of competent constitutional authority in the statement that the direction of the government's foreign affairs was assigned by the constitution to the chief executive and to him alone.

When the president's letter was received, Senator Lodge, chairman of the foreign relations committee called Senator Fall and Senator Brandegee, republican, Connecticut, of the committee into conference and in a few minutes announced that no further action on the Mexican situation would be taken by the committee.

"We wanted to help," Senator Lodge said, "but now the entire Mexican situation goes to the president. The responsibility is up on his shoulders. Let it rest there."

Fall to Give Evidence.
It was expected Senator Fall would make public during the session of the committee on Mexican affairs of the committee into conference and in a few minutes announced that no further action on the Mexican situation would be taken by the committee.

"Thank you very much for your kind promptness in complying with my request that you send me a copy of the memorandum report of the sub-committee on Mexican affairs. I shall examine it with great interest and I shall be glad to take part of the investigation, on Friday last, prepares me to find in it matter of the greatest importance."

Replies with Frankness.
"You ask an indication of my desire with regard to the pending resolution to which you and Senator Brandegee have referred. I am glad to reply with the utmost frankness that I should be gravely concerned to see any such resolution pass the congress. It would constitute a reversal of our constitutional practice which might lead to very grave confusion in regard to the guidance of our foreign affairs. I am confident that the president will move the necessity of closing industry and nearly 100,000 workers remained idle."

"I am much obliged to you for having given me the opportunity to express this opinion."

Very truly yours
"Woodrow Wilson."

Senator Lodge said the committee had wished to assure the president of its support, but that even that appeared undesirable. "Very well," he said, "he may deal with it."

Senator Lodge said the committee had wished to assure the president of its support, but that even that appeared undesirable. "Very well," he said, "he may deal with it."

Milwaukee Feels First Pinch of Coal Shortage

(By Associated Press.)
Milwaukee, Dec. 8.—Milwaukee felt the first pinch of the fuel famine of the winter when the non-essential industries were asked to open their doors and nearly 100,000 workers remained idle.

Hundreds of calls swamped the facilities of the telephone company and the fuel administration offices inquiring whether the expected settlement of the coal strike had removed the necessity of closing industry and nearly 100,000 workers remained idle.

With the arrival today of Chairman W. H. Faxon and other officials of the national committee, talk about the convention city began to forecast an early decision. Chicago and St. Louis are making fights for the honor.

Imperator Is Held Up; Too Much Coal Is Charge

(By Associated Press.)
Washington, Dec. 8.—The former liner Imperator, now under the British flag, will not be permitted to leave New York, officials said today, until the vessel has been loaded with coal. The vessel had taken on 6000 tons of coal when her fuel permit called for only 2,500 tons.

Oshkosh Elk Lodge Holds Annual Memorial Service

(By Associated Press.)
Oshkosh, Dec. 8.—The local lodge of Elks held its annual memorial service at the club house Sunday. Mayor A. C. McHenry giving the address of the event.

SOCIAL EVENTS

A pretty home wedding took place Wednesday evening at the home of Miss Dorothy Vosse, who was united in marriage to Louis E. Luedke, Watertown. The bride was attended by her sister, Mrs. Luedke, and the groom by his brother, E. Luedke, Juneau. Grace Erdman, Juneau, and Vosse Kumpers carried a basket filled with white carnations. The home was decorated in green and white. The bride wore a gown of white satin, draped with georgette trimmed with pearl beads. She carried a bouquet of roses and lilies of the valley. Mr. and Mrs. Luedke will make their home in Watertown. The out-of-town guests were Mr. and Mrs. D. H. Erdman and children, Miss Clara Vosse, and E. Luedke, Juneau.

Tuesday evening at 8 o'clock a reception for new members, the district superintendent, and the pastor, will be held at the Methodist church. It will not be a formal affair, but a good, warm welcome evening, which everybody will enjoy. All newcomers in the city and out of town are invited. It is desired that all those who have been members for three months will be there to greet the newcomers. A program will be given under the direction of Mrs. F. C. Biniewicz.

Mrs. Otto Sauer, Footville, who is recovering from an illness at St. Joseph's hospital, was given a post card shower by her home friends. Fifty of the Royal Neighbors and other clubs sent her cards each week. Mr. and Mrs. Ed. Palmer and Otto Sauer were her guests that day from Footville.

P. Clarke, St. Lawrence, avenue, gave a dinner party Sunday evening at the Grand hotel. Covers were laid for six.

Mrs. A. C. Hough, 100 St. Lawrence, avenue, was hostess Saturday to the Delta Psi Delta society of Beloit college. Mrs. Hough is a member of this society. A luncheon was served at 2 o'clock. Covers were laid for 20. Seventeen girls came from Beloit college. They were accompanied by Dean Tannehill, who is dean of women at the college.

Mrs. S. M. Smith, 1016 Milwaukee, avenue, gave a small luncheon today at 1 o'clock. A few friends were invited to meet Mrs. Harry Sheldon, Madison, and Miss Sheldon, Florence, Italy, who is spending a few months in this country. They are guests at the Smith home.

Miss Margaret Doty, East street, will be hostess this evening to a girls' club. They meet each week for a game of bridge and a social evening.

Miss Myrtle Hill, Prairie, avenue, gave a dinner party Friday evening. The guest of honor was Dr. H. E. Ruitkirk, Watertown.

Mrs. Frank B. Garvin, Clarks Summit, Pa., announces the marriage of her daughter, Miss Edna Murray, to Chester Leland Brewer, Saturday, Dec. 6. Mr. and Mrs. Brewer will make their home at East Lansing, Mich. He is the son of Mr. and Mrs. L. C. Brewer of the Park hotel and a former resident of this city.

CLUBS AND SOCIETIES

The Westminster guild will meet this evening at the Federated church. Supper will be served at 6:15, followed by a program. Mrs. W. Porter Craig will be the leader.

The Presbyterian home department will meet with Mrs. Mayhew London, 117 North High street, at 2:30 Tuesday afternoon.

The helpful circle of the Baptist church will meet at 2:30 p. m. Tuesday.

PERSONALS

Mrs. C. G. Clark, Peru, Ind., was an over Sunday guest at the L. J. Bonner home, 628 Fifth avenue.

Mrs. Ella Hudson, McCabe, Tacoma, Wash., is in Janesville for a few days on business.

Frank B. Lane, Chicago, was the weekend guest of Janesville friends. Michael Egan, who is in Janesville on business, visited in this city.

James Roderick, Judge, was visiting friends in Janesville Saturday.

Miss Gladys Ritter, South Jackson street, has resigned her position at the J. M. Postwick shoe store. She has taken up work at the Du Pont company.

Mrs. Ralph Gray, Rockford, is spending a few days at the home of her parents, Mr. and Mrs. T. S. Stinson, 223 East street. Mr. Gray came up to spend Sunday.

G. M. E. CHURCH TAKES
IN 54 NEW MEMBERS

At the service at the "Cargill Methodist church yesterday morning, there was a reception for new members. This number makes over 90 who have been added to the church roster during the past three months. The following is the list of those received yesterday and the places of their former residence: Mr. and Mrs. Gilbert Sylvester, Jefferson; Mrs. Robert Meek, Magnolia; Miss Elva Townsend and Mr. and Mrs. Hosea Townsend, Magnolia; Mrs. H. L. Bartholomew and Mrs. Mathews, Green Bay; Mrs. Strang, Footville; Mr. and Mrs. Edward Caney and Miss Rona McDonough, Grand Rapids; Mr. and Mrs. E. K. Hubbard, Three Rivers; Mr. and Mrs. Bersecher and three children of the Congregational church, and his wife from the Evansville church; Mr. and Mrs. J. M. Brak and child of Orfordville; J. H. Smiley, Orfordville; Mrs. T. J. Snodgrass, River Falls; Mrs. T. J. Townsend, Grand Rapids; Mr. and Mrs. M. N. Moen and son of La Crosse; Mr. and Mrs. W. T. Smith and Marshall M. Davis, Platteville; Gilbert Young, Grand Rapids; Mrs. Lois Swan of this city; Mrs. Aruba Graves, Platteville; Mr. and Mrs. Moshier and four children of Wisconsin.

Others are Mr. Gangweh, Arensburg, Ky.; Herman Gangweh, Mulberry, Ind.; Mr. and Mrs. Edward Roehring, Grand Rapids; Mrs. Klinghaus, Colorado Springs, Col.; Lewis Abrahamson, Beloit; Mr. and Mrs. William Busse and family of Port Atkinson; W. J. Knight, Wild Rose.

Mr. and Mrs. Edward Pelly, Maine, signed their intention of being present, but were prevented by illness from doing so. Miss Maria Ada Ellis was baptized into the church and two children, Gilbert Jack Sylvester and Geraldine Edith Dobson were baptized.

A special reception in honor of the new members will be given Tuesday evening at the church. The pastor of the church, Rev. F. M. Lewis, presided at the occasion. A choir of about 20 members, directed by Miss Florence Snyder, sang two anthems. Rev. Perry Miller assisted in the church services.

Ray Matlock, Albany, was an over Sunday visitor with Janesville friends.

Mrs. R. E. Acheson, Evansville, is the guest of Mr. and Mrs. Fred Snyder, Main street, this week.

Mrs. M. O. Mout and daughter, Elizabeth, 214 South Wisconsin street, have returned home from the east. They have been spending the past six weeks in Boston.

J. P. Juppert, Indianapolis, was a business visitor in Janesville Saturday.

Rime, Orfordville, is spending the day in this city.

Mr. and Mrs. W. J. Waugh, Avon, are spending the day in this city.

Miss Green, Milton, is a business visitor in this city today.

L. W. Morse, Johnsonville, is spending the day in Janesville.

William Imboden, Elkhart, is a business visitor in this city today.

The Boy Scouts of the Federated church will meet at the church at 7:30 in the evening.

The Congregational Women's Missionary society will meet at 4 o'clock Tuesday at the church parlors. Supper will be served by the Loan fund.

The Loan fund will meet at the Federated church Tuesday evening, Dec. 9. J. A. Steiner, secretary of the Y. M. C. A., will speak. Mrs. N. A. Haddong has charge of the social hour. Supper will be served at 6:15.

Jesse Blake, 1404 Highland avenue, has gone to Rochester, Minn., where he will undergo an operation.

Mrs. Blake left for Rochester this morning.

Mrs. William McDermott, Russell's Corner, has been an operation for appendicitis at Mercy hospital, Thursday. She is rapidly convalescing.

Ashland—Iron ore shipments at Ashland fell off season, a total of 1,650,000 tons as compared with 1918. The totals as compared with the three big years of 1916, 1917, 1918, are: 1916—5,915,383 tons; 1917—5,655,603 tons; 1918—5,655,603 tons.

Prior to 1916, the normal shipments were from four to five million tons annually, but the completion of a few new lines has raised the normal shipments to nearly double the figures for former years.

Returns Without Decr.—La Crosse—J. L. Pettlingill, 79, La Crosse county's oldest deer hunter, returned from Iron River without a deer for the first time in a quarter century.

Appleton—This city will have six municipal elections this winter, one for each of the wards. Flooding has been started by the water department.

Come in. Consult with us.

Weirick Real Estate Co.

FENCES

(BY PEG O'BRIEN)
Swinging on the old back gate! What's a fence without a gate with a good swing to it? What's an old-fashioned homestead without the well, iron, stone, picket, wire or hedge enclosure which secures the home from the vulgar street.

Fences nowadays are used not so much for ornament as they were in the sweet long ago, before the days of the "keep off the grass" signs were born. Today a fence isn't erected unless you want to keep your cows and chickens from running on to the property of the man next door. Sometimes you wish you had some kind of a fence or cage to keep little and can't run into the road, a prey to the traffic.

Lovers returning from choir practice lingered by the gate on a summer's night, she on the inside, he on the other side. She toes the brick walk unconsciously trodding down the grass which has gone astray and sprouted up between the bricks.

Mothers Hears Creaking
And mother who has heard the creaking of the gate long before daughter comes into the house remembers her own "courtin'" days of can't run into the road as she comes up the stairs.

"We'll expect to hear a bit of singing Sunday after all this practicing," the good-natured child in her fresh pinches looks out through her face to the child across the street who is diligently repairing a small wagon.

And Leerie, the lamplighter, coming down the street just after dark, rests his small ladder on the fence and waits in gloomy waiting for the child in the window who peers wistfully out keeping watch over Leerie as he goes about his task.

Footstep Spies Leerie
The garrulous postman spying Jennie in the yard apparently intent on weeding the bed of mignonette and forget-me-nots calls out in her usual bantering way. And Jennie, with mock surprise, looks up, exclaims that the postman's late, tossing him a nosegay of brightly colored posies.

Two enviously industrious housewives get up almost before cock-crow, attack the washing with vigor, and putting up the clothes line, meet at the post of the back fence, each chiding the other for getting up so early when life is so short anyway. Each glances at her line of white clothes, turn to view the line across the fence, and each satisfied that her clothes came out the whitest, they finger over the old fence exchanging bits of neighborhood talk.

Fences have different effects on people. Some like Abe Lincoln who used up some of his youthful brawn standing rails for the time honored fence of rail took the task as a matter of fact. But on the other hand some years later Tom Sawyer resented his appointment as decorator of the old fence and only by strategy could he shift the white-washing job onto one of his pals.

Political fences are still in vogue by the wary business man who fearing to lose patronage perches himself upon the fence only falling onto the other side after the election.

The office boy's woe knows no bounds when he spots a fence around the baseball park minus peek holes. Seasons of experience have made the best peek holes stand out and peek holes large enough to include in his vision the entire baseball diamond, are the small boy's salvation.

The fence has been passed in modern architecture. And episodes which were wont to be enacted over the old fence have shifted closer to the house.

Action Taken for Food
For Austria and Armenia
(BY ASSOCIATED PRESS.)

Paris, Dec. 6.—Action was taken by the League of Nations today toward food relief for Austria and Armenia. The council took cognizance in this connection of resolutions adopted by the supreme economic council, dealing with provisioning of these two nations.

Beloit—Billy Ziegler, 2, whose parents were former residents of Beloit, has awakened from an eight-day sleep at his home in Fond du Lac. Predictions by physicians of by change nine days proved true and the child is on the road to complete recovery.

A few copies of the New World Atlas can be obtained at the Gazette office at 25 cents per copy.

OLD GUNS SHINED UP
TO PUT END TO THOSE
NIGHT SCREECHINGS

Have Rock county wolves ventured to the city limits of Janesville?

This question is predominate in the minds of many residents in the vicinity of Magnolia avenue.

Unearthly screeches and howls have rudely awakened many people from their peaceful slumbers. Those who have heard the spooks are unable to tell whether the screeches are those of a wolf, bobcat, or lynx. The source has not been seen.

Mrs. L. M. Baum, a resident of the neighborhood, is reporting the imprints of the animal's feet on the snow in the yard of her home. The tracks lead to the chicken house, the property of Mrs. Baum. Investigation proved that no damage had been done by the intruder.

Residents are still experiencing sleepless nights and it is understood that rifles, once used in the Civil war, and since hung on the walls of the family living room, are now being polished and made ready for immediate use. If the source of screeches and howls is the cause of the visitations to residents in the vicinity, the neighborhood is to be organized and an old-time wolf hunt will ensue.

D'Annunzio Arranges
Startling Scheme to Advance

London, Dec. 6.—Gabriele D'Annunzio, the insurgent Italian leader at Fiume, and his adherents in Italy, have arranged the most startling and audacious scheme for advancement of their cause yet undertaken, revolving about an attack on Spalato in the immediate future.

Compulsory Training Not
Provided for in Army Bill

Washington, Dec. 6.—No provision for compulsory military training will be made in the army reorganization bill as it comes from the house military committee, it was announced today at the committee meeting.

Lake Forest Boys Go to
Party Minus Dress Suits

Unless they went in leitis or some such costume, a score of boys at Lake Forest academy were not able to attend the college dance Saturday evening.

Beautifully dressed in 14 dress suits and several pairs of trousers, Malcolm Mout and Gordon Aller of this city, who are students at Lake Forest, fortunately left their dress suits at home.

Purchasers for Steamers
Not Plentiful in Europe

(BY ASSOCIATED PRESS.)
London. (By Mail.)—It is reported in shipping circles that the endeavor made by the United States shipping board to dispose in Europe of small or wooden steamers, which were built during the war, is not having much success. Purchasers cannot be found in England and although offers have been reported to have been made to sell the boats to Germany and Greece at prices below the rate for much older British boats, little business is said to have resulted.

LEVIS AND CARDS BEAT ALL-STARS

(BY CARL ED. SHEERMAN)

The man was in the eyes of everybody at the armory Saturday night. The name was on the lips of everybody after the game. It was George Lewis and Dalton's All-Stars five of Madison played a game of basketball with the Lakota Cardinals. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

While the first half might have been called an easy one for the Lakotas just from a reading of the score of 15 to 6 at its close, it was nothing of the kind. For every goal, the Cardinals had to work and use their players to the best proficiency. Guard work was tight. It was "hang on to your man" stuff all the way through. The Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

Basketball comes more and more into the Janesville's present season of sports. Next Friday, the high school team—which has not yet been picked by the way—will play its first contest of the year against Evansville. Coach Crabtree is putting his men through stern practice to get them into the fast steps of the game. He is carefully watching his material before making his choice of those who will enter the first game. The Cardinals, the light blue and white team, won the game by a score of 23 to 11.

"Moosey" aggregation were not slouchers. They showed it in the second half when they came up with a good game in every respect as the Lakotas. Basket for basket was the rule of the final, quarter hour of play. The Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

The game began to get rough as the guards tightened around the forwards. The Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

With Phillips, center, of the All-Stars getting most of the jumps on Braun, the ball was made it rise and Dalton who easily made it rise and

CAUSE OF TEETH STAINS AND GERMS—THE REMEDY

It is not generally known, outside of the dental profession, that on all teeth are thin, transparent films or "plaques," which dentifrices are incapable of removing. These plaques are the cause of most teeth stains, for when these films become discolored from any cause, the most persistent brushing has little if any effect on them. This also accounts for millions of teeth germs, the surfaces underneath the films providing such fruitful breeding places.

In the light of these facts, considerable importance must be attached to the discovery by a prominent dentist of a combination of substances which completely and quickly remove these discolored films. The product which he evolved, known as "Once-a-Week Tooth Polish," not only is entirely non-injurious to the enamel, but is remarkably potent in preserving teeth and preventing decay. If one will procure a package of this from the dentist and use a little on a tooth brush once a week the disagreeable stains will not return, the teeth will not form, germs will not attack the enamel. This information will prove invaluable to the thousands of owners really clean, white, beautiful teeth. Parents should see that their children use this product regularly.

Bad Cold Got You? Feeling Grippy?

Dr. King's New Discovery soon starts you on the road to recovery

ONCE tried, always used. That's a trite expression, but one never more applicable than it is to Dr. King's New Discovery. You will like the prompt, business-like way it loosens the phlegm-clogged chest, soothes the tortured throat, relieves an old or a new cold, gripple, cough, croup.

The kiddies can take it in perfect safety, too. No bad after-effects. Standard bottle, 50c and \$1.20 a bottle. At your druggist.

Don't Continue Constipated

Don't let your bowels buldoso your system. Make them function regularly—keep the body cleansed of waste matter with Dr. King's New Life Pills.

Biliousness, sick headache, sour stomach, indigestion, dizziness, furred tongue, bad breath, thick coating of the tongue, and discomforts traceable to constipation. How easily they're rectified by the occasional use of Dr. King's New Life Pills. Move the bowels smoothly but surely. Try them tonight. All druggists—25c. as usual.

BASKETBALL LEADS WEEK'S PROGRAM

Basketball comes more and more into the Janesville's present season of sports. Next Friday, the high school team—which has not yet been picked by the way—will play its first contest of the year against Evansville.

Coach Crabtree is putting his men through stern practice to get them into the fast steps of the game. He is carefully watching his material before making his choice of those who will enter the first game. The Cardinals, the light blue and white team, won the game by a score of 23 to 11.

The Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

Among other teams, the All-Stars; the new Junior-Sophomore church teams; and the Y. M. C. A. will take the field within a few days. In bowling the Cardinals, the light blue and white team, won the game by a score of 23 to 11. The Lakota Cardinals, the light blue and white team, won the game by a score of 23 to 11.

Boxing Here Delayed By Legal Sanction

Efforts to start a boxing club here are temporarily handicapped, according to Al Dietz, local promoter, because papers of incorporation have not been returned by the Boxing Commission at Madison. Meanwhile, Dietz has gone to Rockford to look over material so that when the O. K. is placed upon boxing in Janesville, he will be ready to start shows at the opera house.

A ROYAL AVIATOR
London, Eng.—It is understood that Prince Almon of Savoy is shortly proceeding to Cairo to study the British aerial organization there, says a Rome telegram.

volplane gracefully into the yawning mouth. Cleverly holding the ball, Lewis nabbed the sphere and made another. The half ended when Braun, aided by his height, reached up and made the score 15 to 6 in favor of the Cardinals.

The All-Stars kept right after the ball, but the Lakotas had their combinations down so well that they easily held the advantage. The visitors, fearing the almighty Lewis, put Woods in on the second half to guard him. The new era of things worked for a while until George found a way to fool his enemy and started scoring once more.

Williams made the first goal in the last half and encoored in the next minute by a nice back flip while speeding past the basket. His success called for more stringent guard work and blocking by the All-Stars that considerably roughened the play as it assumed a faster game while the crowd went into an uproar of enthusiasm. As Dalton inspired his men with greater fight, the Lakotas swung the ball down the court. Atwood who snatched from a skip on one foot. Lewis followed on a fluke drive and an overhead flip. Then it was Lewis, Atwood and Lewis, a combination that was broken by Dalton who rolled the ball along the top of the backboard until it flopped lazily into the basket. But that was the last of the interference of the Madison bunch. The combination got into effect again and it was Atwood, Lewis, Lewis and Lewis.

Putting in new blood in the shape of Connell at guard and withdrawing Lewis, the All-Stars tried to strengthen themselves in the last three minutes of play; but this only wound up in confusion for the Lakotas. In the game ended when Dalton made a lucky field goal and the score read: Cardinals 33; All-Stars 21.

Line-up—Cardinals: Madison All-Stars (23).
Dermody, Connell, Dalton, Lewis, Phillips.
Braun, Atwood, Williams, Phillips.
Casserly, Lewis, 10; Braun, 2; Casserly, 1; Williams, 2; Edler, 2; Atwood, 5; Dalton, 3.
Post game—Lewis, 3; Edler, 3.
Fouls—Dermody, 2; Lewis, 2; Braun, 2; Edler, 3; Atwood, 1; Dalton, 2; Connolly, 1.

BIG TEN SCHEDULE FOR 1920 ARRANGED; "PRO" PLAYERS HIT

Chicago, Dec. 7.—Professional football by college men was hit a terrific blow at the Big Ten conference here Saturday when steps were taken to disqualify players, coaches and officials who take part in any "pro" contest.

After selling March 19 and 20 for the indoor track and swimming meet to be held at Northwestern; the outdoor conference games at Ann Arbor June 5; the annual cross-country run at Bloomington, Ind., Nov. 20, and the tennis championships at Chicago May 27-29, the moguls got down to work on the football schedules for 1920.

Efforts by all members of the association to secure "five conference games" in their football schedules were unsuccessful. The "big teams," including Chicago, Ohio, Minnesota, Illinois and Wisconsin, found an "easy booking," but the others were compelled to be content with fewer conference games.

Badgers at Chicago.
Chicago and Wisconsin agreed to play their closing game of the season on the gridiron for the next five years. Coach Knute Rockne of Notre Dame, booked three games. The football schedules are as follows:

Illinois—Oct. 16, Iowa at Illinois; Oct. 23, Illinois at Michigan; Oct. 30, Minnesota at Illinois; Nov. 6, Illinois at Chicago; Nov. 13, Illinois at Wisconsin; Nov. 20, Ohio at Illinois.
Wisconsin—Oct. 16, Northwestern at Wisconsin; Oct. 23, Wisconsin at Ohio; Nov. 6, Wisconsin at Wisconsin; Nov. 13, Illinois at Wisconsin; Nov. 20, Wisconsin at Chicago.
Northwestern—Oct. 9, Minnesota at Northwestern; Oct. 16, Northwestern at Indiana; Nov. 6, Northwestern at Iowa; Nov. 13, Northwestern at Ohio; Oct. 23, Wisconsin at Ohio; Oct. 30, Ohio at Chicago; Nov. 6, Michigan at Ohio; Nov. 20, Ohio at Illinois.
Iowa—Oct. 16, Iowa at Illinois; Oct. 23, Iowa at Chicago; Nov. 6, Northwestern at Iowa; Nov. 13, Minnesota at Iowa.
Chicago—Oct. 9, Purdue at Chicago; Oct. 23, Iowa at Chicago; Oct. 30, Ohio at Chicago; Nov. 6, Illinois at Chicago; Nov. 13, Chicago at Michigan; Nov. 20, Wisconsin at Chicago.
Indiana—Oct. 16, Indiana at Minnesota; Oct. 23, Northwestern at Indiana; Nov. 13, Notre Dame at Indiana; Nov. 20, Indiana at Purdue.
Minnesota—Oct. 9, North Dakota at Minnesota; Oct. 23, Minnesota at Northwestern; Oct. 30, Minnesota at Illinois; Nov. 13, Wisconsin at Minnesota; Nov. 20, Michigan at Minnesota.

Samson Pin Captains In Meeting Wednesday

Captains of the 16 teams in the Samson Bowling league will hold a meeting on Wednesday night to straighten out some of the fine points of the league's business. It is expected that continuation of the project of the week will take place to Christmas, will be one of the matters discussed.

As You Were!

—BY—BUCK

Of the STARS AND STRIPES A. E. F.

EVERYMAN'S DIARY
I've been marked quarters for the last two days. The experience was unique. I went to the Medical Officer. Expecting to have him say "Paint it with iodine And report for duty." But he was polite, And he asked me a lot of questions And waited till I got through talking. And didn't say "Wait'n' you on the sick-report Before?" You'd have thought I was human! And what's more, You'd have thought he was. Then he said, "Go to bed And I'll drop in day after tomorrow. Three dollars, please." Then I knew he was human. And today I'm all right. I painted it with iodine anyhow And fooled him.

There is one satisfaction in a war with Mexico, says ex-Sergt. SOL. They can't make a man wear an overseas hat for just crossing the Rio Grande. And the natives won't be so hard up for cigarettes, either.

THOSE CLASSIFICATION CARDS

In the orderly room, "Headquarters wants a plumber. See if you got one and if you have, send him up." The clerk went over the cards with the little colored clips on the top that were supposed to indicate a man's job in civil life. "Send him up." So Byzinski reports to the shop and makes it plain that he doesn't know a nut from a bolt. "So, who said you was a pipe-cutter?" asks the sergeant. "I am pipe-cutter ten years," offers Byzinski. "I am pipe-cutter ten years," offers Byzinski. "I bet you I cut pipe! I cut finest muerschaum pipe ten years in ole country."

WE POOLED 'EM ONCE
They gave us number fourteen shoes For number seven feet. They gave us rags and called 'em caps To wear in sun and sleet. But when they tried to "sanny" us We nearly choked the game. But just in time the Lord stepped in With a righteous, fighting name.

The Blimey went as Tommy, And Jerry went as Fritz, The Frenchy stuck to polli, And I won't deny it fits. But we'll vote the plish-lind soap-dish To the onion-headed crank That tried to issue "Sunny" To a hell-for-leather Yank!

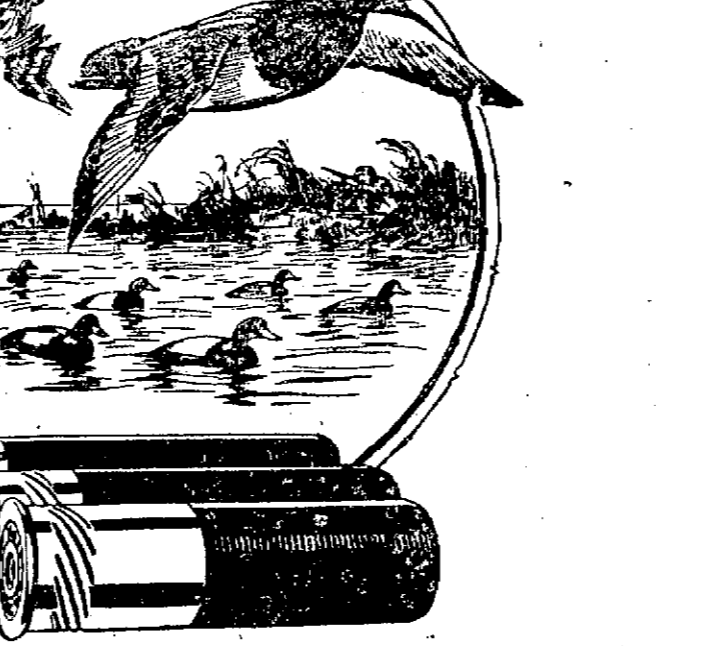

"Beauty," the Canteen-Queen, says a lot of girls find it harder to be nice to the company their husbands bring home to dinner than it was to entertain the company they were attached to in France.

Mantowoc.—State dairy and food inspectors made two arrests in this county for unclean utensils and unsanitary cheese factories and half a dozen other factory owners were warned in a campaign that has been conducted here. Hans Puellmann, English Lake, and Charles Bleser, Alverno, both within a few miles of this city, were the two that were arrested on the complaint of F. S. Hanson, Sturgeon Bay. Both entered pleas of guilty to the charges and were fined \$25 and costs each in municipal court after the evidence had been heard. Statements by the inspectors indicate a number of practices in the county will have to be broken up.

Beloit.—The school board increased salaries of 100 teachers \$20 per month, effective Jan. 1. This applies to grade school and high school instructors, and effects teachers who signed contracts prior to July 2. The average monthly salary of grade school teachers is \$83, according to Supt. of Schools, F. E. Converse. The minimum wage is \$70, maximum \$80. Women teachers in the high school receive an average of \$97 annually and men average \$1,440.

SAMSON BASKET TEAM PLAYS FIRST AT BELOIT TOMORROW

The basketball team of the Samson Tractor company will journey to Beloit tomorrow to accept a challenge received this morning from the team of the Fairbanks-Restler Co. Samson had not contemplated entering the field so early, but the Beloit club made a special request to have the tractor quintette fill in for a contest, and Manager Dallas of the Samson personnel department, accepted.

Final practice for the game will be held tonight at the high school gymnasium. Hard work with plenty of passing and basket shooting will be chosen until after the practice. The Samson team will be composed of a number of former college and high school stars. From every indication it will put up a fast game with the challengers. A large number of rooters are expected to accompany the men to the Line City.

MADISON HIGH FIVE STRONG SAYS LEVIS

Including three ex-service men who will try shooting at baskets, instead of Huns, and seven letter men from this year's football team, Madison high school will commence basketball practice on Dec. 16. Two of the former military men are marines, Ole Gunderson, crack forward for three years, and M. Kessenich, guard, two years back. R. Conlin, ex-soldier, played guard on the 1917-18 team.

Four of last year's team will go out for practice. Harold Carroll, guard, Glennon Brown, guard; Barth Keliher and Raymond Friedrich, forwards. The football men are Robert Meyers, "Eud" Walsh, Oscar Tokemeyer, Andrew Dyer, Raymond Schulz, Ted Washington and Gerry Butler.

George Lewis, star forward of the Janesville Lakota Cardinals, is coaching the team this year. When seen at the game here Saturday night he declared that he has some excellent material from which to pick and should make a good showing on the court this year. The team will meet Watertown, Stoughton, Baraboo, Beloit, La Crosse, and perhaps Fond du Lac. The team will be entered in the normal school tournament at Whitewater.

Girls Bowl Tonight

"Ladies are you ready?"

Here's the lineup for the first challenge bowling match between two women of this city. It will be played at the West Side alleys tonight between a five composed of girls from the Samson plant, and five from the Parker Pen company.

Aro we going? Well, say, And so are a lot of other folks around these parts. Parker Pen Hazel Myhr, capt. Minnette Knopp Gladys Newton, Boss Owens Margaret Donaghy, Laura Christensen Mary Beardon, Aldin Siron C. Prol, Harriette Looske.

NEWARK TEAM WINS SIX-DAY BIKE RACE

New York, Dec. 8.—Alfred Goulet and Eddie Madden, the Newark team, won the six day bicycle race at Madison Square garden, which ended Saturday night. Second place went to Oscar Egg of Switzerland, and Marcel Dupuy of France. Reggie McNamara of Australia and Jack Magin of New Jersey finished third. The sprint for points began at 10 o'clock, instead of at 11, it having been decided to finish the race one ahead of the original closing time.

Goulet won the first sprint, Egg took the second. McNamara, the third and Madden the fourth sprints. The fifth was won by Goulet, sixth by Egg, seventh by McNamara, and eighth by Egg.

The teams covered 2,561 miles and one lap in the 143 hours, as compared with the record of 2,623 miles flat made by Dupuy and Egg in 1914.

La Crosse.—In 10 years, with a paid in capital of \$60,000, the La Crosse Industrial association having established here five factories employing 1,200 persons and having a combined weekly payroll of \$20,000, according to the annual report of President E.
